# Greetings

Greetings AIA Delegates,

On behalf of Lady Hamilton and myself, we are elated to welcome back the saints of God to the great city of Birmingham, Alabama. Our hearts are filled with excitement to embrace and greet our fellow kingdom citizens! This is a milestone year for the AIA Fellowship as we celebrate our 10th year of establishment. What began as a dream has now become the manifested vision God provide to me over 10 years ago. The number ten signifies perfect completeness and divine order. The journey has not been easy, but God has been with us every year and every step of the way toward this momentous time in history.

It is my burden this year to remind my fellow co-laborers this is the finest hour of the church. Yes, we are experiencing many uncertainties, but our mandate is to continue to spread the message of the kingdom and to expand our influence not just within our homes, communities but throughout the world. I declare this is one of the greatest ages in time for **"Kingdom Advancement"**.

We are anticipating God's glory to rest upon us this week and to empower and equip believers for the igniting power of Revival in our land!

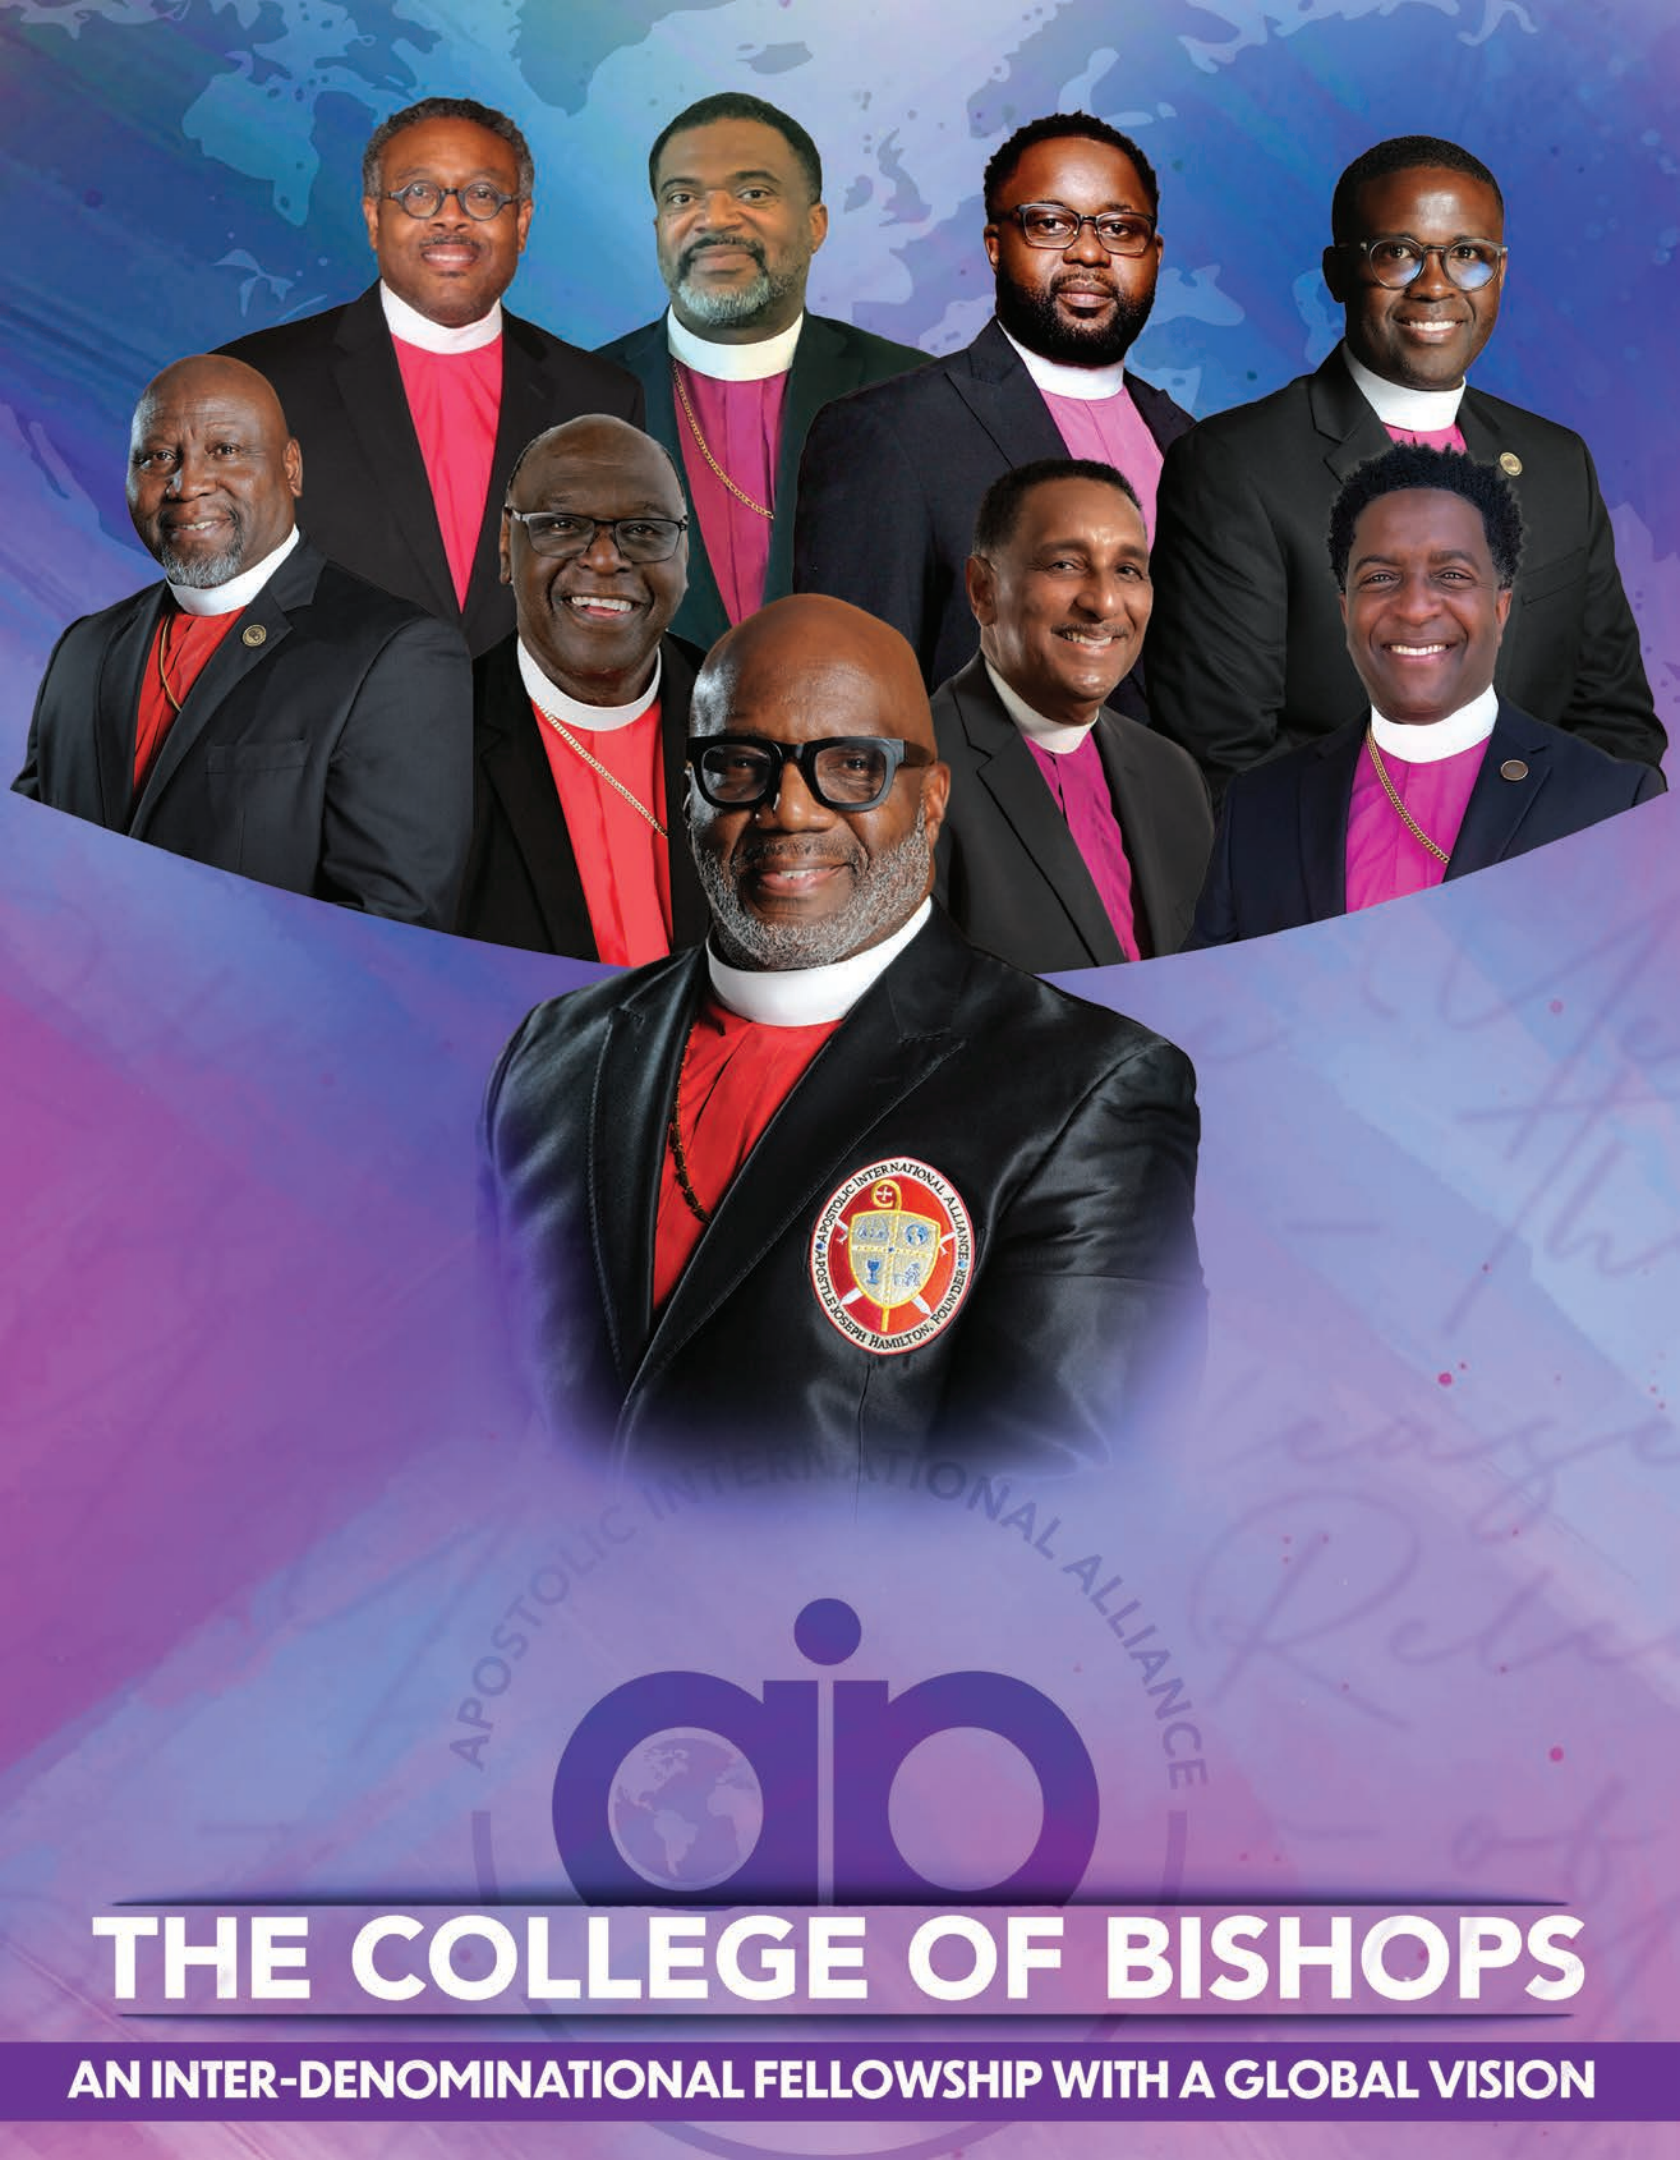

A Servant in the Lord's Church,

**Apostle Joseph Hamilton**  
Founder & Chief Apostle of the AIA Fellowship
